No services, headstones, markers, remains, or other miscellaneous items and absolutely NO plantings of any kind shall be placed in Smackover Cemetery without the approval of the City of Smackover Public Works Director. Services must be scheduled so graves may be marked ahead of time. Headstones and markers must be scheduled to ensure proper placement within cemetery lots/spaces. Remains must be scheduled to document location to ensure they are not disturbed due to no one knowing of their placement. Miscellaneous items (benches, chairs, anything not attached to the headstone/marker) may be removed if not preapproved by the City of Smackover due to placement which may hinder keeping the cemetery maintained. Flowers or other items may also be removed if deemed necessary or have become unsightly.
